FOREWORD

This service manual has been prepared for the purpose of assisting service personnels of our distributors and dealers in providing effective service and maintenance of the Model L14, L16 & L18 Series Engines.

Since proper maintenance and service are absolutely essential to satisfy our customers, this manual should be read carefully. The following matters should be noted for effective utilization of this manual.

1. Please refer to the following **SERVICE MANUALS** in addition to this manual for complete details of the car, because this manual describes information concerning the L14, L16 & L18 Series Engines only.
 - **SERVICE MANUAL** Datsun Model 610 Series Chassis and Body
 - **SERVICE MANUAL** Nissan Automatic Transmission Model 3N71B
 - **SERVICE MANUAL** Air Conditioner (Scheduled April, 1972)
2. All part names in this manual conform to the **PARTS CATALOG** Model 610, and only the genuine service parts listed in this **PARTS CATALOG** must be used for replacements.
3. All information, illustrations and specifications contained in this manual are based on the latest product information available at the time of publication approval.
4. It should be emphasized that those who use this manual are responsible for revising the contents according to the **SERVICE JOURNAL** and **SERVICE DATA AND SPECIFICATIONS** issued by the factory, which carry the latest factory approved servicing methods.
5. Rights for alternation of specifications and methods at any time are reserved.
